ABOUT ME

I'm someone who highly interest becoming a video editor. My journey in the world of video editing began in 2019. I possess the ability to work well both within a team and individually, and I am adaptable in collaborating with others. Able to use some common software like Adobe Premiere Pro & Many more Furthermore, I hold a strong determination to continually enhance my video editing skills to a more professional level. I am also motivated by my desire to always venture into new things within this field, as I am fond of challenges and innovation.

TOOLS

Adobe Premiere Pro Adobe Audition Photoshop Capcut Final Cut Pro Adobe After Effect

EXPERIENCE

Freelance Movie Lyric From It's Us! Band

Feb 2021

In this project, I performed full editing, including color grading, offline and online editing, as well as incorporating visual effects such as bubble chats and voice notes. Additionally, I added lyrical text to the video.

Freelance Disparpora Singkawang

Mar 2021 - Jul 2021

In this project, I take the creation of a video to promote the "Cipta Lagu Kota Singkawang" event. Within this project scope, I managed tasks including video recording, audio refinement, color grading, and the incorporation of text into the video.

Internship Video Editor Liga Game TV

October 2023 - December 2023

At Liga Game TV, I specialize in crafting and refining YouTube and Instagram content, with a focus on video editing, audio enhancement for voiceovers, and script creation. Working within the dynamic environment of the DM51 studio, I am entrusted with the responsibility of editing content for Liga Game, producing impactful videos that resonate with our audience.
